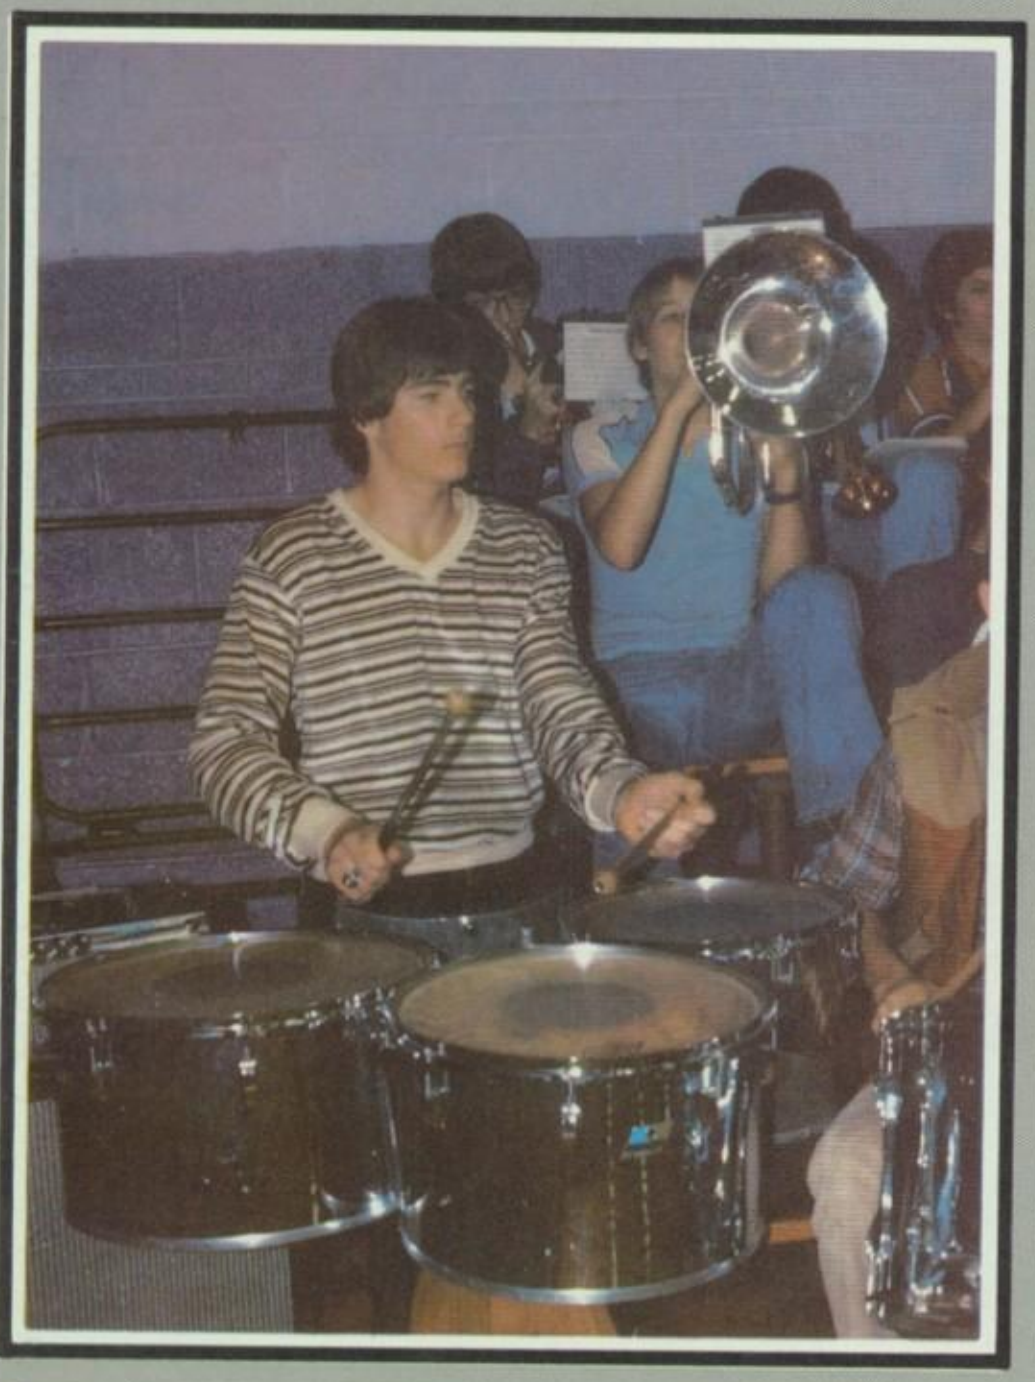
IF . . .

A Photo Essay about Life

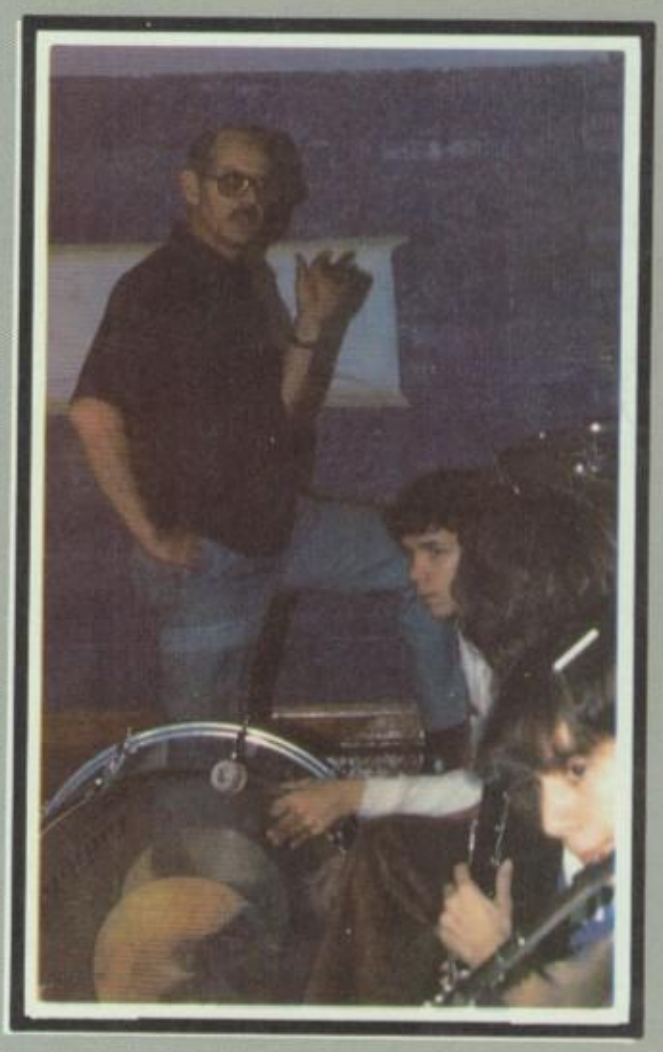
based
on the poem
by E. M. Gerus

IF **you put truth above your own desires**
And value those as friends who feel the same,



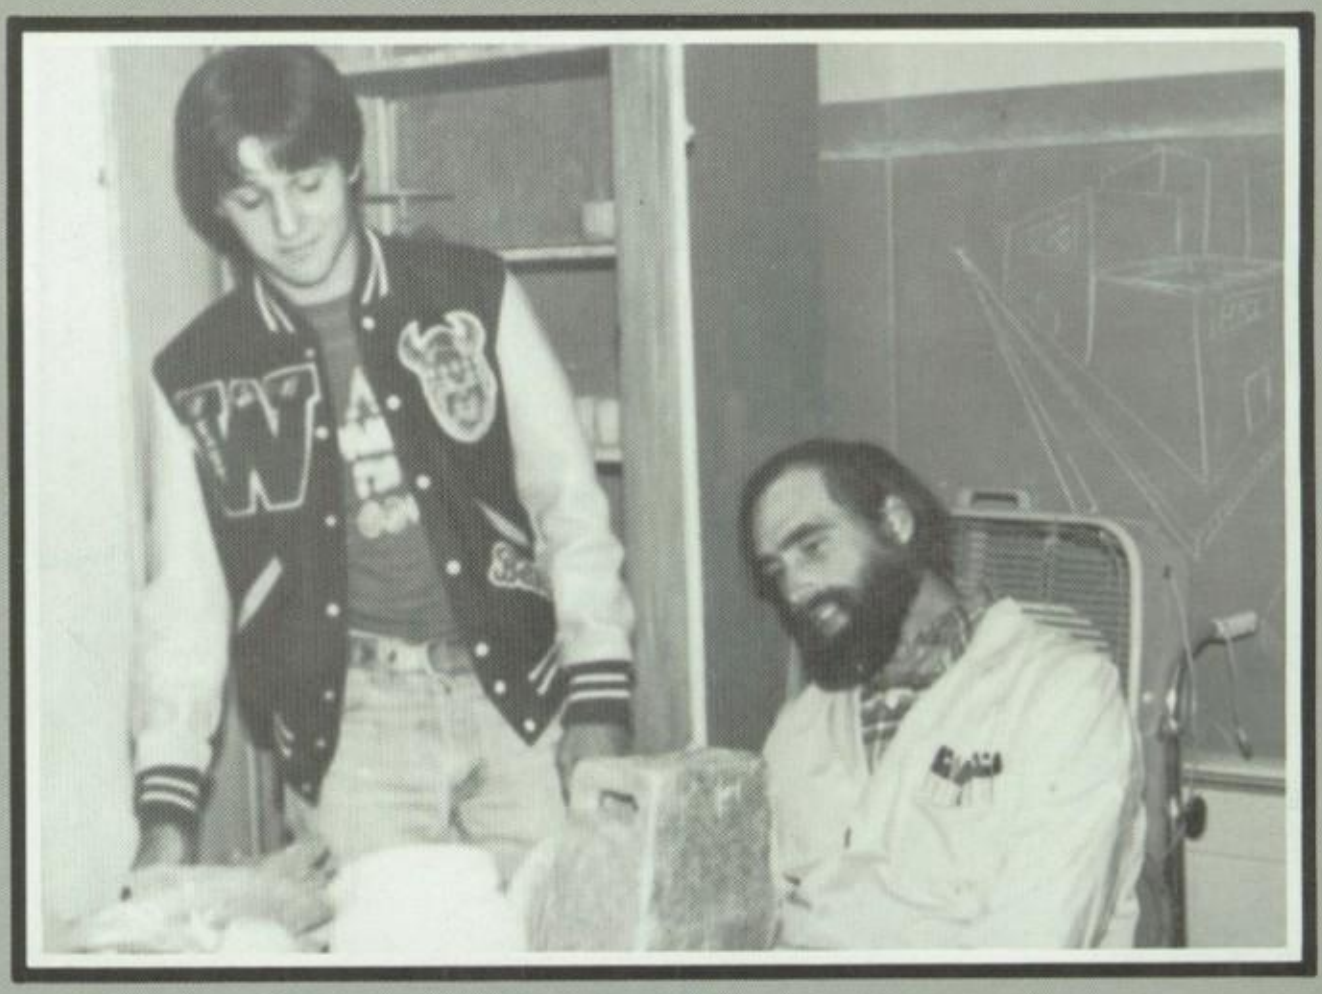
IF **you take pride in things**
that you've accomplished

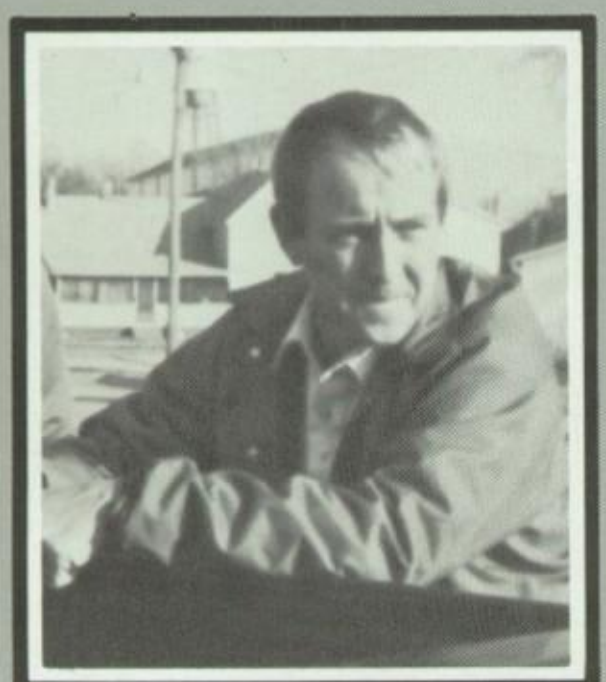
And when you're wrong,
stand up and take the blame . . .



IF **you can understand your limitations,**

And not waste time on tasks beyond your scope . . .

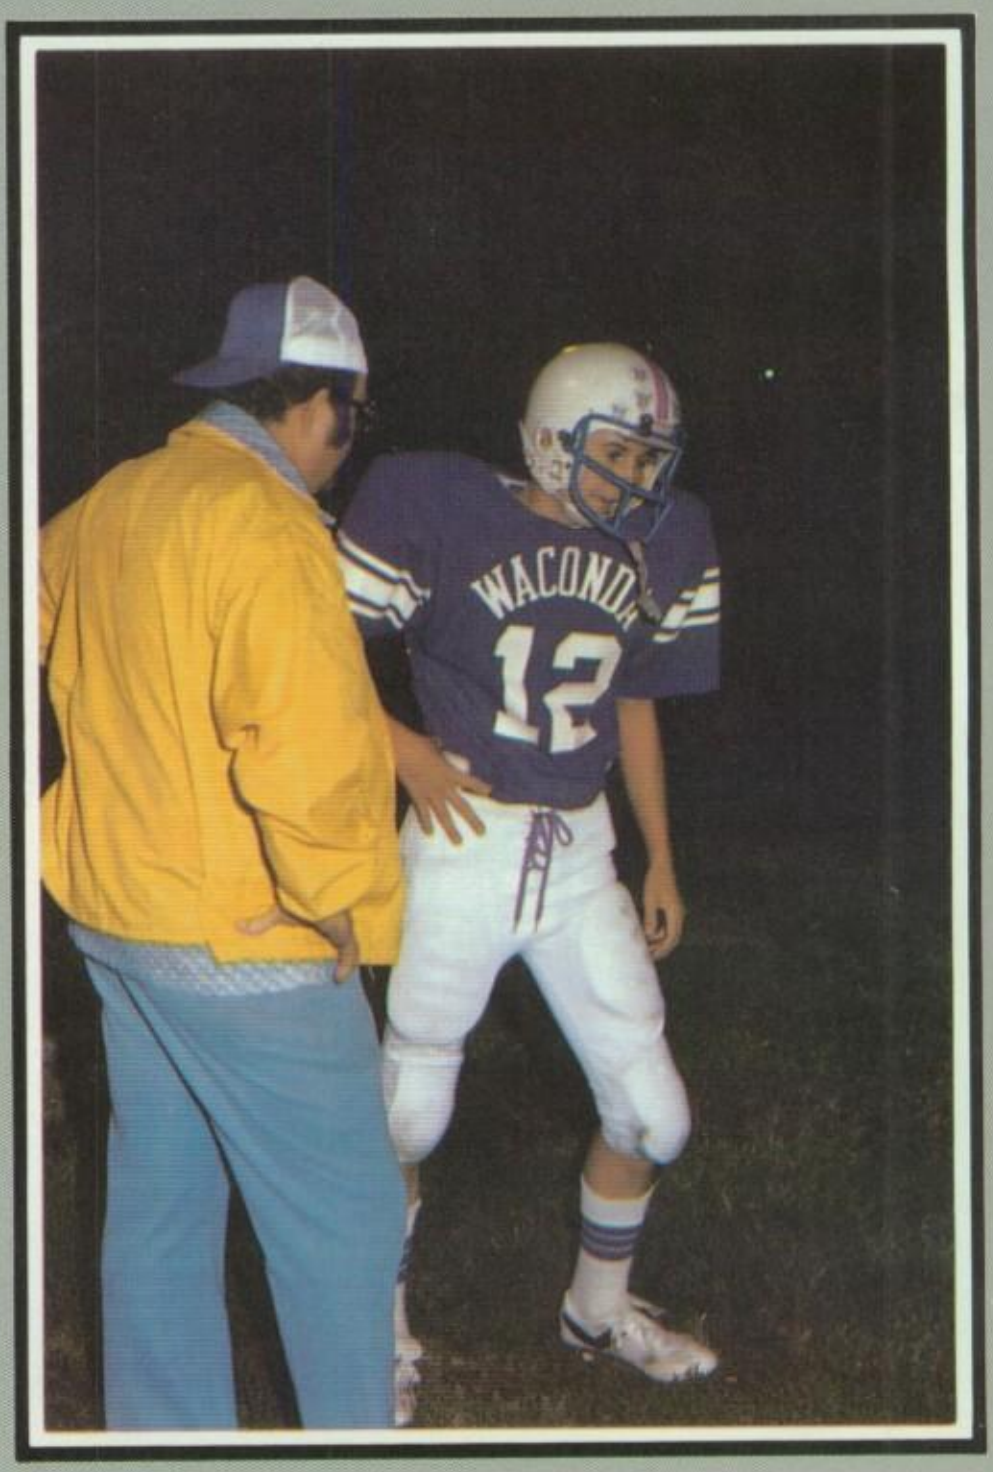


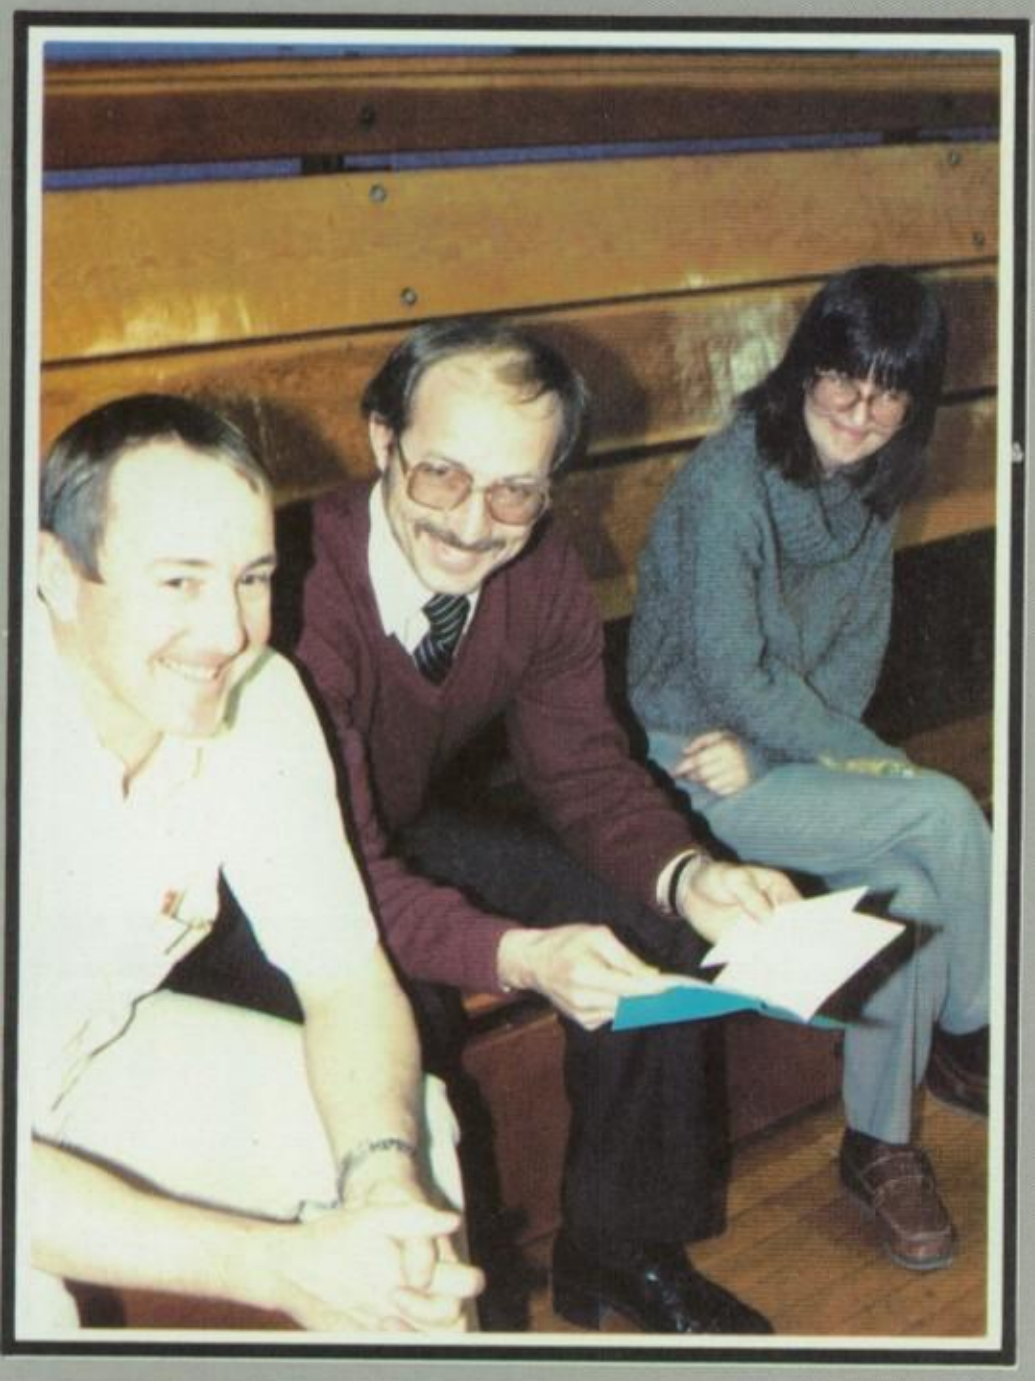


But take the future as
a brand new challenge

That you can meet with
confidence and hope . . .

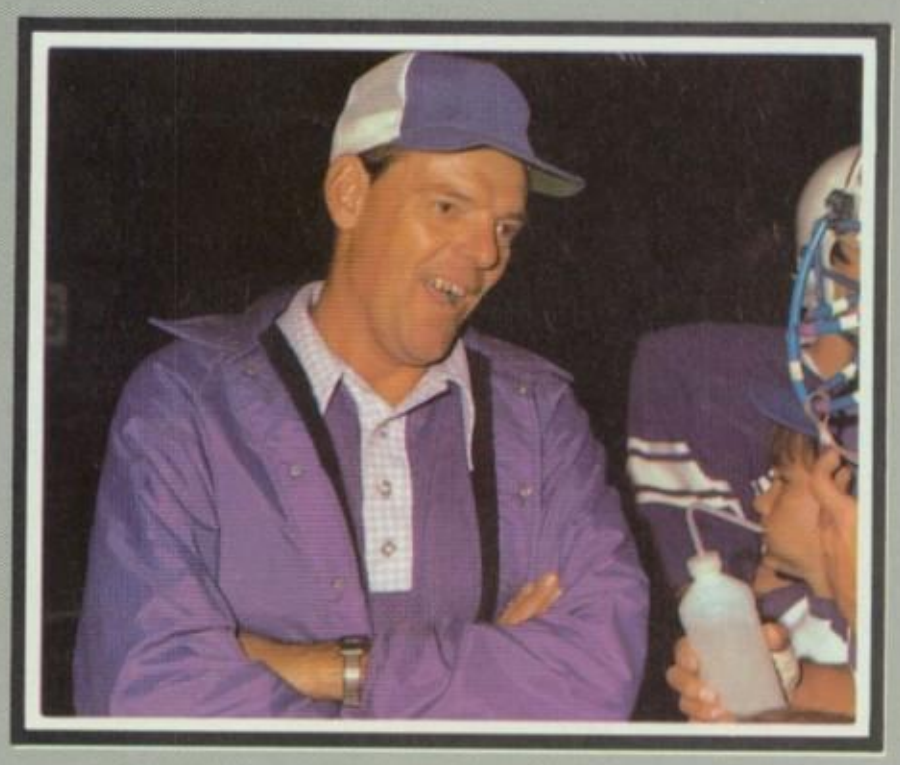
IF **you can listen to those who would advise you then judge for yourself just what is right,**

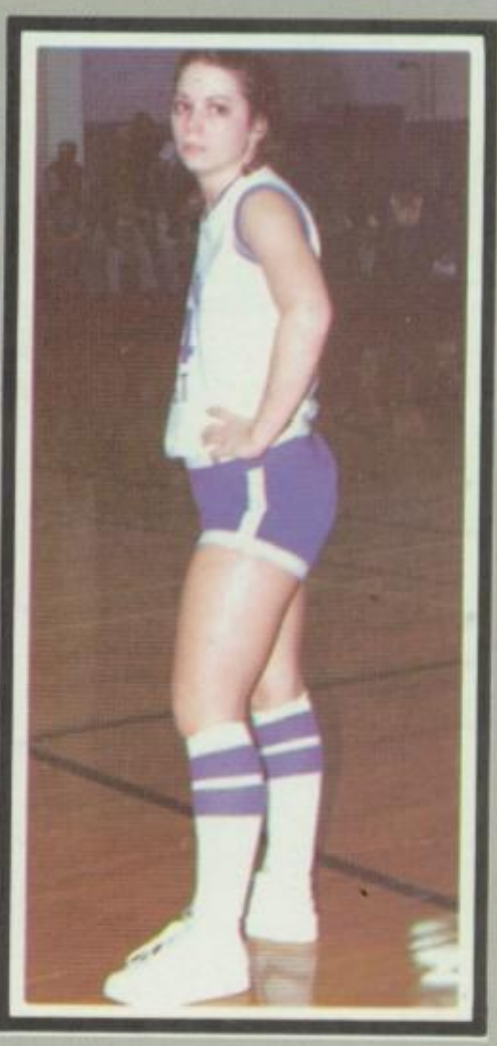




IF you can keep in touch
with those about you

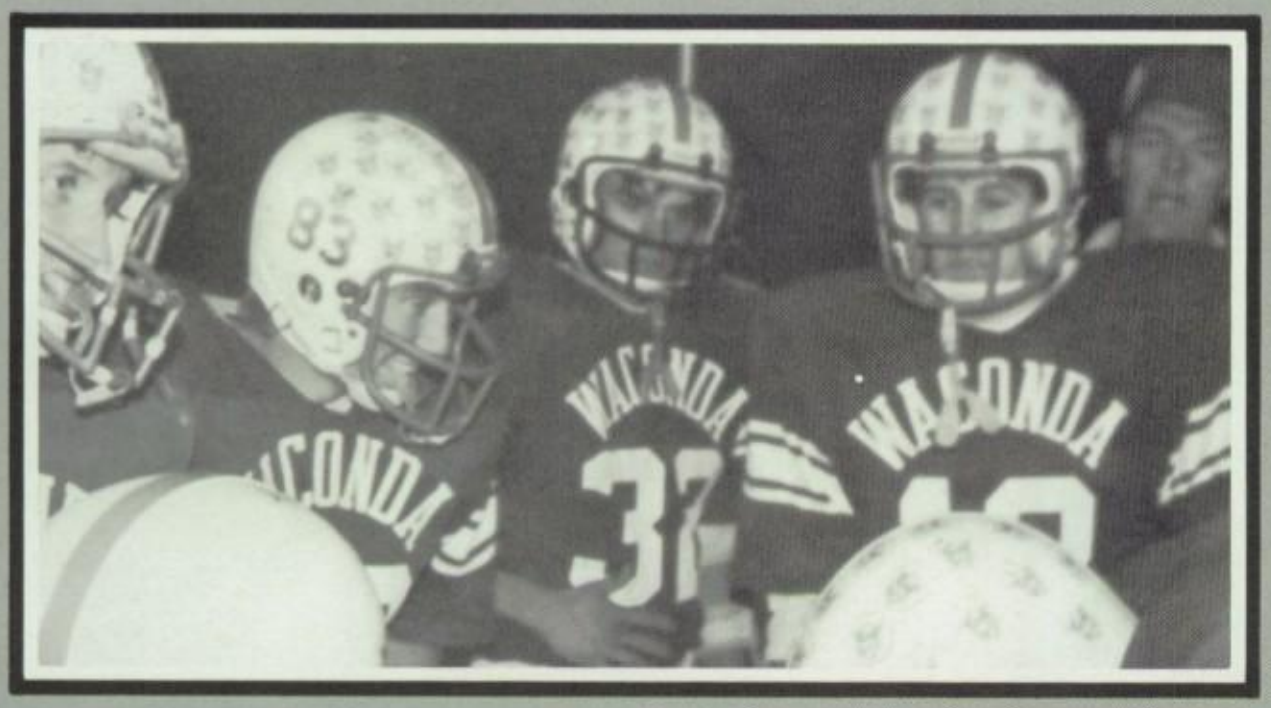
And settle differences
without a fight . . .





IF **you can find delight**
in simple pleasures

And see the rainbow —
not the falling rain,



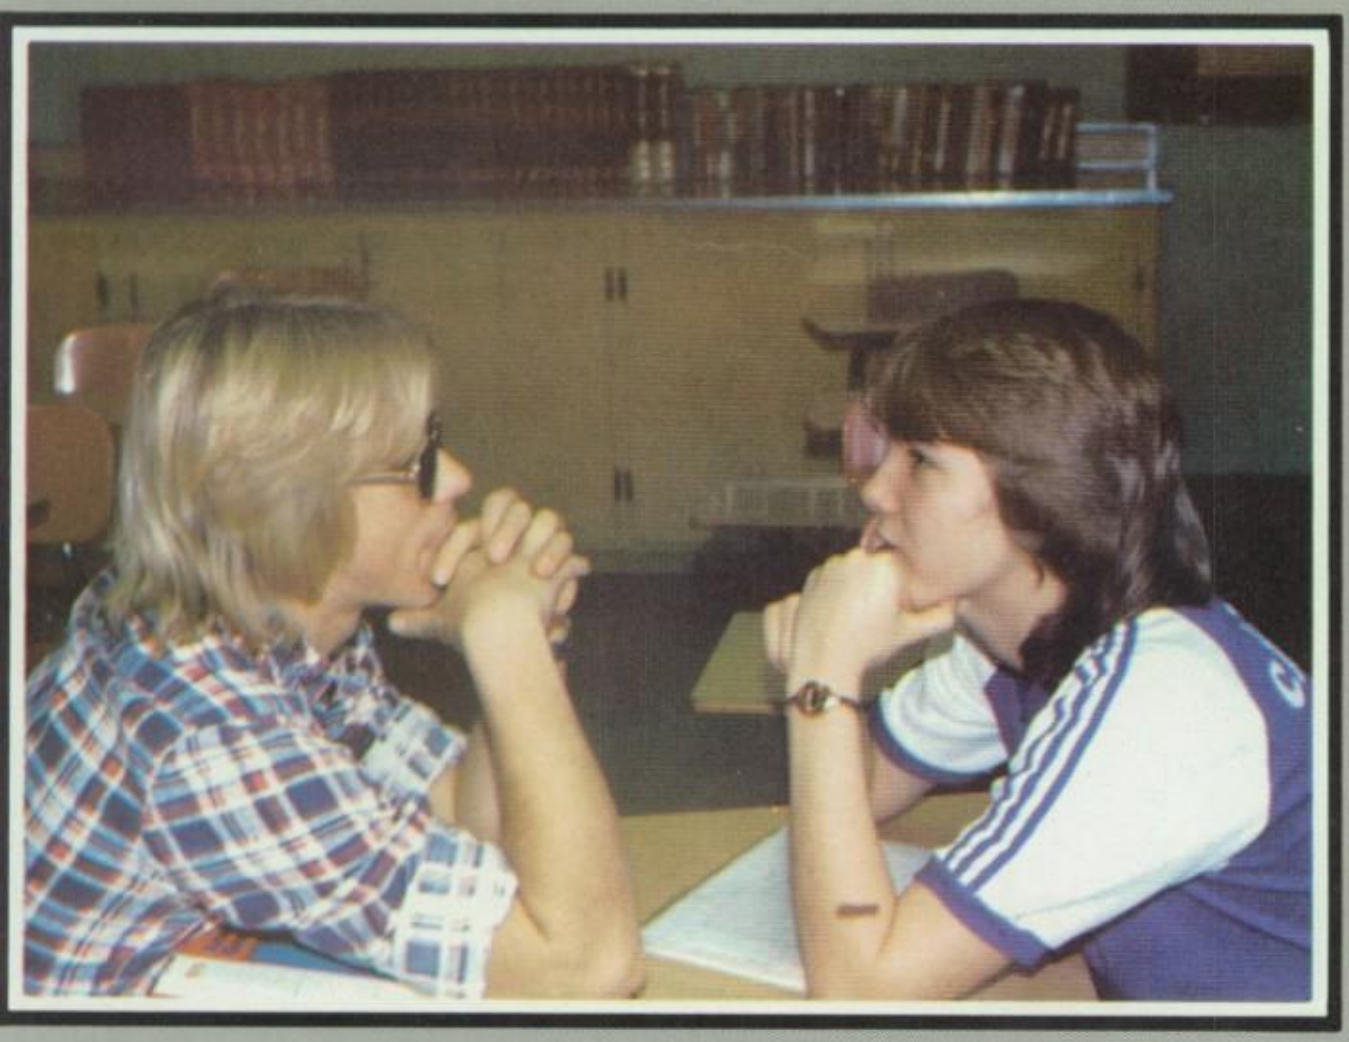
IF **you can lose — and never give up trying,**

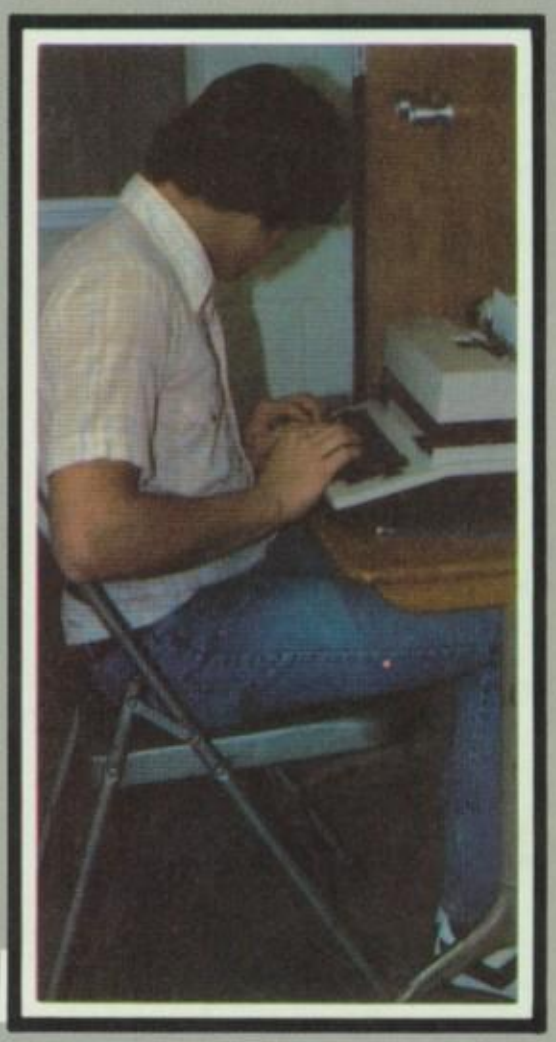
Believing that there's nothing done in vain . . .

IF **you can staunchly stick by your convictions**
And not let others set your goals for you,

IF you can be as practical
as need be

And still remember
sometimes dreams come true . . .





IF you can live the life
that you believe in

And trust your judgement
and maturity

Then you'll be, not just
happy and successful,

But the worthwhile person
You are meant to be.

E. M. Gerus

Juniors Put in Busy Year

The Junior Class presented a spacy, but hilarious melodrama, "Lost in Space and the Mortgage Due." They raised cash by selling a large number of magazine subscriptions. The Banquet and Prom was a most memorable evening for the Seniors. At the Stu-Co Carnival the Juniors had a splashing time running their dunk stand. The future looks bright as the Juniors ready to adventure into their last year. Mr. Marion Brown was class sponsor.

Sophs and Moms Cook a Lot

November arrived with wood on the fire and the soup boiling as hungry pheasant hunters lapped up the broth. Once again the sophomores showed their cooking talents with gorgeous tasty cakes at their cake walk stand at the Stu Co Carnival. Ten lucky sophs were chosen to serve at the prom banquet. Mr. Cliff Flinn was sponsor.

Frosh Prove Work Pays Off

The Freshmen, still wet behind the ears, and 28 strong, surpassed all odds by struggling through their first year. From peddling concessions at all home football and basketball games to taking turns cruising in the Drivers-Ed car, the freshmen showed potential for the next three years. Mr. Henry Armknecht was the class sponsor.

A faculty of veterans and one "rookie" manned the Waconda East Viking ship this year. Robi Clark of Glen Elder substituted in history classes most of the first nine weeks, then Suzie Hooper became the regular history teacher. Faculty members were pleased as students did well in competition with other schools in business, math, art, music, and athletic contests.

Band Shows "Hot Stuff"

Something was always happening with the Waconda East Band, either a bus trip to Hays or Wichita or to Mankato for a basketball or volleyball tourney where the Vikes needed pep band support. The Drill Team performed at local events, and was chosen to entertain at the State Basketball Tournament in Hays. The Band, directed by Carl Fitzgerald, showed off at two concerts and many games, then had fun and made money at their Stage Show in May.

Student Council Keeps Busy

The Student Council had a very busy year organizing new committees for the benefit of the student body. They organized a student advisory committee where the students bring their ideas to the teachers and principal.

The youth advisory committee helped to better the lunch program.

Stu Co sponsored the Homecoming dance and hired disc jockey, Jim Tanis, for the occasion. They also sponsored a Christmas dance for the students. "Phase IV" was hired to perform the music.

Their largest money making project was the Stu Co Carnival. Games included ring toss, football throw, dunking machine, and many other fun activities.

They ended the year by donating a juke box for the cafeteria to the student body.

Journalists Keep Presses Rolling

Eleven students made up the Journalism class this year, but like they say, "It's not the size that counts." The class put out the school newspaper and the 1981 yearbook, and were kept busy selling 200 yearbooks and a record number of ads. Annual editors, seated at typewriters at right, were Jay Flinn, Lance Buser, Janet Seidel, and Carla Gaston. Chris Bader, seated on counter, was newspaper editor.

Gaston Crowned 1980 Queen

Homecoming 1980 was highlighted by two events — the crowning of Carla Gaston as queen, and Waconda East's 42-6 drubbing of Esbon in the game that followed. The queen and her two attendants, Judy King and Jeanie Brummer, were escorted by Viking seniors Lance Buser, David Barrett, and Bryan Frasier. Disc jockey Jim Tanis of Downs entertained at the dance in the Glen Elder gym.

"Powder Puff"

In a pep club-sponsored Powder Puff football game on Thursday, September 25, the Brave Broads, (senior and freshman girls), defeated the Devastating Dolls, (junior and sophomore girls), by a score of 24-14. The half time score was 14-0 in favor of the Dolls, but the Broads got back on their feet to win the game. Enthusiastic coaches were David Barrett and Bryan Frasier for the Broads, Tim Clover, Jerry Brown and David Parker for the Dolls. Both teams were supported by strangely-clad male cheerleaders.

Student Council Hosts Carnival

There was no chance of running out of fun at the Student Council Carnival April 30. If you got tired of placing your ticket on Number 17 at the Cake Spin booth you could go outside and try to drown a junior at their dunk stand. Small fry enjoyed the Fishing Booth, although Josh Stevens (below with dad Charlie and brother Seth) got a bigger fish than he expected. Jerry Brown and Steve Duskie started practice early at the Basketball Throw (right), and Jay Senger, Kelly Duskie, and Ruthann Thille mugged for the camera outside the Jail (below right).

Young ladies dressed in blue jeans and purple and white shirts rode the bus armed with sack lunches and pillows, and arrived home late at night with sore throats and tired bodies. Their job: cheer the Vikings on to victory no matter where or when, and sometimes the when amounted to three or four nights a week. Marcia Yost sponsored the group.

Y-Teens were active all year with projects ranging from making Halloween favors for the rest home residents at Downs to supporting an orphan boy in India. They sold candy again to finance their projects, attended Fall Conference in Beloit, bought flowers for their mothers for the Mother-Daughter Banquet, wrote crazy poems and letters and made goodies for their heart sisters, and honored the senior members at their last meeting. Mrs. McKinnie and Mrs. Clover sponsored the club, which again received Kansas District's gold seal award as an outstanding Y-Teen Club.

Odds Against Senior Actors

"The Odds Are Against You" was the name of the play presented by the senior class on April 10 in the All-Purpose Room. After a lot of hard work and deliberation, the play spun off well. The play was directed by Mrs. Jane Moore.

The play was about two elderly ladies in their second childhood who want to earn money to build an addition onto their son's house. They end up getting their son into hot water with some gangsters. The day was saved when the cops came in.

Waconda East, Wins Pike Trail Again

The Viking Machine continued its domination of Pike Trail League football in 1980 and was rated in the top ten in the state for the 7th straight year. The Vikes were 7-0 in the league, 9-1 overall, losing their playoff game to defending state champion Kensington 38-42 in an exceptionally well played game at Glen.

The Vikes were praised by opponents for their sportsmanship, and played before excellent crowds at home and away all season.

Jerry Brown, named the Salina Journal Area Player of the Week after the Tipton and Lebanon games, led the PTL in offensive rushing, scoring, pass receiving, and pass interceptions. Tim Clover led the PTL in passing, Todd Clover and Brown in punt returns, David Barrett in punting, and Bryan Frasier in tackles.

ALL-STATERS (at right) Tim Clover — Salina Journal 2nd team all-area and Wichita Eagle honorable mention, offense. David Parker — Journal 2nd team all-area offense; Jerry Brown — Topeka Capital 1st team defense, Journal 1st team all-area offense, Eagle 1st team offense; Coach Clover, Bryan Frasier — Capital All-State honorable mention, Journal 1st team all-area offense.

Machine Rolls to 9-1 Season

PIKE VALLEY — September 12

The 1980 season started with an upset of the Number 2-ranked team in the state at Pike Valley. The Vikes were on the march. Final 42-22.

MACKSVILLE — September 26

The Vikings took a week's rest, and came back to upset the number 5 ranked team in the state. Macksville had driven a long way to have the longest winning streak in the state broken. A once uncertain Viking team had become the devastating Machine once again. Final 42-6.

ESBON — October 3

Many loyal fans and alumni showed up for Homecoming festivities and to see a good game. The Machine didn't let them down. Final: 42-6.

JEWELL — October 10

The defense and special teams were big factors in the game at Jewell. The D. pushed back the Wildcats' final scoring attempt 30 yards, and got a safety. The Vikes were not an undisputed 1st in the PTL. Final: 30-20.

TIPTON — October 14

The Machine went to Tipton for the first time in years, and fought from behind time and time again to win a highly emotional game not designed for those with heart problems. Final: 52-50.

LEBANON — October 17

Although exhausted after playing three games in seven days, the Vikes hid their fatigue in slaughtering the Broncos. Final: 50-8.

NORTH CENTRAL — October 24

On a revenge mission, remembering the Cougars kept the Machine out of playoffs last year, the Vikes won a sweet victory. Revenge. Final: 52-28.

BURR OAK — October 31

History seemed to repeat itself as the Vikes came away with a hard hitting victory, spooking the Braves on Halloween night.
Final: 52-16.

HILLCREST — November 7

The Vikes, prepared for a hard game, remembered being shut out once the year before. They psyched out the Mustangs and finished the regular season UNDEFEATED. Final: 56-6.

KENSINGTON — November 11

The Vikes went into Playoffs ranked Number 4 in the state, and ran into defending state champ Kensington. Excellent offense and defense on both sides, but the gun went off at the wrong time. Goldbug victory. Final 38-42. End of season.

Vikings Second in Pike Trail

The Vikings were picked to finish second in the Pike Trail behind Jewell, and that's exactly where they finished. Their 8-11 season's record doesn't tell that they lost five games by two points or less, including a heartbreaker at the buzzer with Jewell. But the Vikings prided themselves on big wins over St. Johns and Lucas-Luray.

Todd Clover (right) who averaged 17 points a game for the Vikes, received honorable mention in both the Topeka Capital All-State and Salina Journal All-Area teams. The Vikings were coached by Ron McKinnie, assisted by Jack Clover.

WEHS Tracksters Collect Medals

The Waconda East track team brought home medals from track meets at Osborne, Beloit, Sylvan, Mankato, Tipton, Jewell, and Glen Elder in spite of wind, rain, and the fact that they had to make two trips to some meets. The boys two-mile relay team composed of Diercks, Chris Winkel, and Tim and Todd Clover, set a new school record at the Beloit Relays (9:26.1). The girls team finished 2nd in the Mankato Invitational, and 1st at Glen Elder and 2nd in the PTL.

Kindergarten Studies Ceramics

As a new project this year, Charlie Stevens' Waconda East Ceramics students took on the enjoyable task of teaching Mrs. Grace Moxter's kindergarten class about ceramics. The students shaped their own pottery, then had it glazed and fired so they could proudly take their projects home. This proved to be a learning experience for both the kindergarten class and the students working with them.

7th and 8th Graders Busy in Activities

A busy junior high took part in many activities during the year. Mr. Fitzgerald's musicians walked off with two of the three league trophies given at the JMCEL Music Festival at Lebanon, winning the instrumental and overall divisions. Junior Y-Teens, led by President Tricia Thull, went to Fall Conference, gave a skit at the Mother-Daughter Banquet (below left), and entertained their fathers at a party.

Junior Vikes Excel At Sports

Although the athletic season didn't start out the best (the girls were 1-5 in volleyball and the boys 2-4 in football), basketball was another story as the boys (8-3) tied for first in the league and came in third in the JMCEL Tourney at Esbon. The girls, though 5-6 for the season, won second in the tourney. Angie Kresin, Jerry Senger, and Cindy Reames (above) were named to the tournament all-star team. Junior Vikings won medals at five track meets and hosted a meet at Glen Elder.
